**REPORT AND RECOMMENDATION**

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on July 2, 2024. At the hearing, Defendant entered a plea of guilty to Count One of the Indictment. He entered his plea without a plea agreement but based upon an amended factual basis, filed into the record of the Court prior to the hearing, agreed upon by Defendant and the United States. On the basis of the record made at the hearing, I find Defendant is fully capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by Defendant; the plea is made voluntarily and free from any force, threats, or promises; Defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.

For these reasons, I **RECOMMEND** that Defendant's plea of guilty to Count One of the Indictment be accepted, that the Court adjudicate Defendant guilty of the offense set forth in that count. I further **RECOMMEND** that Defendant remain in custody until sentencing in this matter. The parties have been advised that acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.

Respectfully submitted,

/s/ Cynthia Richardson Wyrick  
United States Magistrate Judge
